### **BIRTHDAY PARTY INFORMATION**

*The basic birthday party runs for two hours and includes a hayride, pumpkin picking (small pumpkin included in cost per child), navigating a child friendly corn maze and a simple rope maze, climbing the big bale mountain, and enjoying our Awesome Obstacle Course.*

#### ***Birthday parties fall into two categories:***

*1) Birthday child plus friends. Cost per child is \$15.00. For this fee, one adult per child may accompany the child on the hayride and do the maze with their child. If more than one parent attends the party, and wishes to take part in the activities, cost for the second parent is \$6.00. This type of party pays a \$100.00 space rental fee for two hours. Minimum number of children for this party is 12.*

*2) Family Gathering birthday party. Cost per child is \$15.00 for any child 2 and over. (There is a fee adjustment for those under 2.) One parent per child may accompany the child on the hayride and through the maze. Fee for extra parents or adults who wish to participate in the activities is \$6.00. This type of party pays a \$150.00 space rental fee as we will provide extra space, round tables and seating. Minimum number of children is 10.*

*Parties may be booked for weekends or weekdays. For weekday parties and on some weekends, you may extend the party by one half hour. Cost for this extension is \$50.00.*

***The space rental fee must be paid when you book the party. If you would like to visit the farm and pay your space rental fee in person, please call Joyce...cell (973-632-9186) to make an appointment.***

***If you wish to serve pizza at your party, we have a local pizzeria that delivers on time. Please remember to bring tablecloths (8ft. rectangle tables)(60" round tables), matches, knives for cutting cake, drinks in juice boxes or bottled water.***
